AMS PAPERWORK MANAGEMENT AWARDS

The Officers and Directors of the Administrative Management Society are pleased to announce the second in a series of annual awards for outstanding leadership and professional excellence in promoting effective management of paperwork in the Federal Government.

On the occasion of the first Federal Paperwork Management Award Ceremony, September 28, 1965, Mr. John W. Macy, Jr., Chairman of the U. S. Civil Service Commission, said "These outstanding accomplishments need to be identified and held up as examples that will inspire and encourage the efforts of others toward additional improvements and progress in paperwork management."

Twenty-two Federal Agencies submitted nominees for the award in 1965. Six of the candidates received the Administrative Management Society's plaque. This year we hope that even more agencies will participate. The Society sincerely believes that this program is a most important means for focusing attention on one of our critical areas of management.

It is our sincere hope that your agency will have a nominee this year. Details concerning the award are enclosed. A supply of the poster to publicize the award is being sent to you under separate cover.
